RE: Household Hazardous Waste

Dear Gary,

The Coldwater Board of Public Utilities would like to thank all of the communities that participated in the 2021 Household Hazardous Waste event. It was a huge success! As you can see from the enclosed collection data, over 16,000 lbs. of waste was collected.

The 2022 HHW event is scheduled **for Saturday, September 24 from 9:00 a.m. to 2:00 p.m.** at Schlubatis Hall located at the Branch County Fairgrounds. The CBPU would like to again offer your community to participate. The cost this year will remain the same as last year at \$33 per participant. All communities that wish to participate will be billed based on actual participation by their residents. CBPU staff will be requesting addresses from residents upon arrival. Unfortunately, payments cannot be accepted at the event and residents from non-participating communities will be turned away.

We hope that you will be able to join us in providing a service to your residents, and a step towards protecting our environment. If interested, please notify me by **July 29, 2022** so that your community is included in the event marketing plan.

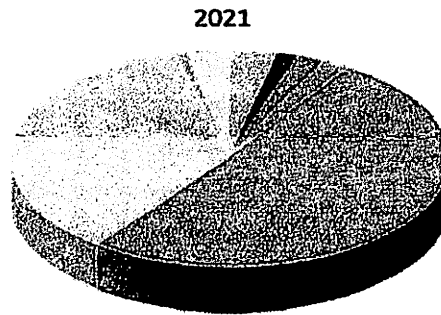

Regards,
