

BUTLER TOWNSHIP PUBLIC NOTICE

Sept 18, 2024

PLANNING COMMISSION HEARING **October 02, 2024 @ 7pm** **DTE Energy - Cold Creek Solar Project**

The Butler Township Planning Commission has scheduled a public hearing to consider a “special land use” request on Oct 02, 2024 @ 7pm at the Butler Township Hall located at 993 Butler Rd, Quincy MI. This notice is being sent to property owners in the proximity of the Cold Creek Solar Project in Butler Township.

The Planning Commission hearing is regarding approval of the Cold Creek Solar Project proposed by DTE Electric Company. DTE is requesting approval of the site plan and the special use permits required for the development of the Cold Creek Solar Project on 192 acres of Ag ground in Butler Township. The 192 acres involved in the Butler Township portion of the project are parcel **#040-031-400-005-00**, a 68 acre Ag parcel located at 750 Jonesville Rd and parcel **#040-031-300-005-97**, a 124.08 acre parcel located directly west and adjacent to 750 Jonesville Rd.

The public is encouraged to attend the hearing with any questions and concerns. Additional information including maps of the proposal will be available at the hearing. You may also request project information via email at any time at the email listed below.

If you have a concern, please plan on attending the meeting on Oct 02, 2024. If you cannot attend you may submit your concerns in writing or by email (mash@toast.net) by Oct 02, 2024 to:
Matt Ashenfelter, Butler Township Zoning Administrator, 228 Crockett Dr, MI 49082.
